

WE NOMINATE

Alan G. Frank, one of Princeton's most community-minded and conscientious business leaders, who year after year in a variety of enterprises has translated into achievement his conviction that "it is just as important to concern yourself with the world around you as it is to concentrate on business." It is in keeping with Frank's quiet and realistic approach to what he calls "matters of moment" that, while he is 95 per cent responsible for the August 15th banquet marking the close of the Summer Recreation Program, there has been no public mention of his efforts or of his on-going assignment as Chairman of the Youth Committee of the Greater Princeton Chamber of Commerce.

Entering upon his third decade as Vice-President and Treasurer-Secretary of Langrock's, the second oldest firm of its type in the country, and on the threshold of his 16th year as a full-time Princetonian, the 55-year old Frank — twice a grandfather — ranks among the most perceptive and articulate businessmen in Central New Jersey. A frequent spokesman for the Chamber of Commerce and other organizations on such topics as planning, zoning, taxation, postal service and parking, he was a moving force a year ago in the establishment of the Middlesex-Somerset-Mercer Regional Study Council which is understandably concerned with the well-being of an area consisting of 21 municipalities and portions of three counties.

For the past several years Frank, the perennial but unusing "patron saint" of the Midway at the annual Princeton Hospital Fete as well as a trustee of the Princeton United Fund and a director of the Middlesex-Somerset-Mercer Council, has held key, policy-making posts in his fields of special interest. He is the immediate Past President of the Princeton Rotary Club and as a former Chamber of Commerce President con-

tinues to serve on that body's long-working Executive Committee.

A native of New York City, who enjoys recalling that he was one of the first students to sample programs then being offered by an unknown Dale Carnegie, Frank started in the textile business in Manhattan and in 1935 moved on to the greener slopes of California. In the late 1930's, sensing the possibilities offered by the West Coast's burgeoning aviation industry, he enrolled in night-time technical courses, became so proficient that he qualified as an instructor in tool-making and then proceeded to spend some nine years in industry, specializing in product design and the manufacture of highly sophisticated hardware for military aircraft.

Ever since he was given the opportunity "to buy into" Langrock's Stores, Inc. (Princeton, New Haven and Providence) in 1948, Frank, an American History "buff" and an inveterate reader of dictionaries, has succeeded in combining his merchandising skills and knowledge of textiles with his love for travel. A half-dozen times in the past five years he has visited Western Europe and has used these trips to advance his second major avocation, "collecting golf courses." A golfing apostle for as long as he can remember, and the father of a former University of Pennsylvania golf captain, Frank has now played ("collected") well over 250 courses in 30 states and four European nations.

For providing the kind of enlightened leadership which is so sorely needed in business communities everywhere; for his willingness to serve whenever he feels Princeton's best interests are involved; for insisting that Princeton's distinctive qualities can be strengthened — "if we all work together," he is TOWN TOPICS' nominee as

ALICE MALE MAY RUN
Federal officials say
Raymond F. Male doesn't
come within the Hatch Act
although her husband is a
New Jersey state official, so
now she can run for Borough
Council — if Princeton's Democratic
caucous Association gives her
the nod.

This Is Princeton

MRS. MALE TO RUN?
Party to Decide, Mrs. Raymond F. Male can run for Borough Council on the Democratic ticket if her fellow Democrats want it that way.
Federal Civil Service officials in Washington notified Mrs. Male by letter early this week that Hatch Act provisions do not apply to her.

She had asked for Hatch Act clearance because her husband, New Jersey's Commissioner of Labor and Industry, had been accused and cleared of Hatch Act violation seven years ago. The act prohibits partisan political activity by public officials who deal with Federal funds, and Mr. Male does handle Federal money in his state job.

Mrs. Male must now obtain the endorsement of Princeton Democrats, Nicholas J. Bartolino, president of the Princeton Democratic Association, says that Mrs. Male is "one of the strong possibilities". Michael Pickett has also been mentioned as a Council candidate, and Mr. Bartolino says that others, whom he declined to identify, were also being considered.

The spot on the Democrats' Borough ticket opened unexpectedly when Council candidate Stephen Gladstone, Princeton University freshman crew

coach, accepted a position at Harvard.
The other candidate is James Andrews, who almost won a Council seat last year.

TREES ARE IN TROUBLE
About 46 Are Felled. At a brief summer meeting of Borough Council held Tuesday night, the state of the Princeton community in August was observed from various points of view.
Councilmen Alan W. Carrick and William H. Walker commented upon the number of shade trees that have fallen to disease and the ax. Both agreed that the number is so great—about 40 trees—that the Borough may have to budget special money for tree removal.

Councilman Walker, who is police commissioner, reported that crime dipped this summer but accidents climbed. He said that no cases had been sent to the Juvenile Conference Committee for two months.

The community swimming pool will be operating in the black by the end of August, reported Councilman Fred Peters. He told Council that the pool's snack bar had been leased to Carnival Bar, and that the pool would receive 13% of gross receipts.

Council introduced an ordinance formally accepting \$22,800 in Federal money for the new Borough Hall's Civil Defense quarters. The money has already been spent and the ordinance is a routine bookkeeping matter.

Mrs. Joseph R. Wood was reappointed to a second five-year term on the Princeton Housing Authority.

POST OFFICE HANGS ON
To North Harrison Side. The United States Post Office Department has signed a 20-year lease for the five acres of land on North Harrison Street that post office officials would like to use for a new post office building.

The lease calls for a payment of 190 Nassau owners of the property, is actually a renewal of a previous lease. It hinges on the outcome of Thane's suit asking Superior Court to reverse the Princeton Township Zoning Board's denial of a special permit for a post office.

The lease call for a payment of \$5,000 per year. If the court decides the land cannot be used for a post office, the lease can be dropped.

It was exactly one year ago that the Zoning Board heard and then denied Thane's request for the special permit. Neighbors of the site protested construction of a post office on the property, but the Township Planning Board favors the lot.

To Pave Bayard Lane

Bayard Lane, from its intersection with Nassau and Stockton, to its northern end at approximately Birch Avenue, will be repaved this fall by the State Highway Department.

Paving will begin in October, according to a communication from the state to Borough Administrator Robert F. Mooney. Only half of the street will be paved at a time, so that traffic will not have to detour, Mr. Mooney said.

Bayard Lane is also Route 206, and the state has been redoing Route 206 in sections for some time. At present, Bayard Lane has a concrete surface laid about 10 years ago. The new paving will be black top.

and includes it in the new Master Plan.

FIRES ARE DISCUSSED
Between Borough, Hospital. Procedures to be followed in the event of first fire at Princeton Hospital were discussed last week at a closed meeting of Borough and hospital representatives.

After the 90 minute meeting, a joint statement was issued by Fire Commissioner Robert Hendry and hospital trustee George W. Conover stating that all points of misunderstanding have been cleared up to the complete satisfaction of all those present.

Attending for the hospital, besides Mr. Conover, were John Kaufmann, administrator; Walter Seligman and Nathaniel McKee from the hospital's administrative staff and Dr. Charles Place of the medical and dental staff.

Those representing the Borough, besides Councilman Hendry, were Mayor Henry S. Patterson, Councilman William H. Walker, Police Chief Peter J. McCran; Administrator Robert F. Mooney; Fire Chief Robert Davison and First Assistant Fire Chief Alex Daulton.

SISLER PLANS ATTACKED
By Watersheds Association. The Stony Brook-Millstone Watersheds Association charged this week that Kingston's proposed Sisler Garden Apartments would have "an irreparable effect on natural resource benefits" from the 75 acre tract.

In a 30 page report to Franklin Township's Mayor and Council, sponsored by the Kingston Homeowners Association, the Watersheds Association said the proposed 810 apartments, with a shopping center and garage, "would result in a complete breakdown and loss of benefits of the natural resource functions presented."

Richard S. Thorsell, resource director of the Watersheds Association, inspected the site and found "potential" in the proposed development for

causing flooding, air and water pollution, and loss of top soil and underground water supplies.
Although no map was available to show contours and drainage ways on the Slater tract, Mr. Thorrell said he had inspected a site plan which revealed more than 35 acres of the land would be covered by rooftop, parking lot, recreation areas and the roadways.

These artificial materials, Mr. Thorrell noted, would make rain run off quickly instead of soaking into the ground, creating "flooding potential" downstream, "where the area drains into the Millstone River."
Mr. Thorrell said the wooded area which would be razed to construct the apartments is "a source of clean air to the surrounding community." He warned that the construction would contribute to the general heat of the countryside and said the "islands" of original woodland planned for the site would not survive.

Erosion of soil and water resources would also occur, Mr. Thorrell said, as the land coverings would make the land unable to "recharge" underground water supply with rain water and the loss of vegetation would wash topsoil into waterways and increase water pollution.

In a covering letter for the report, Watersheds' president Paul M. Van Wegen warned, "Those living on the Eastern seaboard should be laboring to mitigate densities of population if we are not to be destroyed by our own wastes."

Are Princeton's Schools Doing a Good Job?

"What improvements do you think are needed in the Princeton public schools and do you think the schools are generally doing a good job of preparing children for their future?"

All Princeton residents are invited to send their replies to these questions to the Friends of Princeton Public Education, 591 Lake Drive.

The replies will be discussed at the first public meeting of the Friends of Princeton Public Education, to be held Thursday, September 28, at 8:30 in the John Witherspoon School.

An advertisement in the September 5 issue of Town Topics will represent the invitation.
The "Friends" were formed in the spring as a result of the two defeats of the school budget. The group hopes to provide a forum where people can exchange opinions about the schools, and as a source for proposals that might help to improve the schools.

Committees have been meeting all summer: Simon Marston is head of the committee that is drafting a constitution. George Grace, head of the finance committee, is building a dues-contribution structure. The Rev. Shelby Rooks is chairman of a Human Relations Committee. Alden Dunham heads a curriculum committee which will change curriculum innovations. Mrs. J. P. Cleaver is in charge of communications. Mrs. Richard Wilhelm is acting president.

The executive committee includes the persons named above, plus Mrs. Victor Bruce, Mrs. Philip Cruikshank, Robert M. Darrow, Mrs. Martin Lilwood, Thomas Hartman, Raymond Hunt, Warren Huff, Mrs. Harold G. Logan, Mrs. Edwin Lotz, Mrs. Frederick Nicolli, Orlando Petrelli, Mrs. Charles St. John and William Turnbull.

and Lane, were named this week to positions on Westminster Choir College's board of trustees.

Mr. Curtis, staff vice president, administration for RCA Laboratories, graduated from the University of Pittsburgh in 1927 with a B. S. degree in electrical engineering, followed by graduate work at four universities. He joined RCA in 1930 and has held engineering and administrative positions with the company, as well as teaching for four years at Purdue University.

The former president, in 1960-66, of the Greater Princeton Chamber of Commerce and Civic Council, Mr. Curtis is also vice-president of the Princeton United Community Fund, a trustee of Princeton Hospital, and director of the New Jersey Children's Home Society, Princeton YM-YWCA Building Fund Campaign and Princeton Rotary Club.

MORE QUARRYING?

Franklin Group Protests. A citizens group has organized a protest against a Franklin Township zoning ordinance amendment which would increase the size of Franklin's industrial zone so that Kingston Trap Rock could acquire more than 55 additional acres of land for quarrying purposes. A protest meeting, open to the public, will be held this Thursday at 8 p.m. in the Laurel Avenue School, Kingston. The ordinance is scheduled for public hearing on Tuesday, August 27, at the Franklin Township Hall in Middlebush.

Those opposed, most of whom are residents of Rocky Hill, Griggstown and Kingston, charge that the amendment would also open Franklin's Residential-Agricultural zone to such heavy industries as cement plants and truck repair depots on a wide-open "special permit" basis.

They also say that the ordinance amendment has no built-in safeguards against air pollution, excessive noise, and the like. Some residents are afraid that the new permissions could keep out light industry or research that might want to consider Franklin and they say that state Green Acres officials fear that the proposed state park along the

canal and the Millstone River would be jeopardized by the expansion of the industrial zone.

Kingston Trap Rock is a non-conforming industrial use within the Residential-Agricultural zone.

The original public hearing, scheduled for last week, was postponed until August 27 at the request of the attorney for some members of the Kingston Homeowners Association.

Association members hope that Princeton Township will enter a protest to the ordinance amendment. They charge Franklin Township Council with failure to send legal notices of the ordinance to such neighboring municipalities as Montgomery Township, Princeton Township and Rocky Hill.

Hans K. Sander, chairman of the Princeton Township Planning Board, says that

IT'S A TREE HOUSE! Have you noticed 6 Moore Street lately? The little house is about to become a teenage boutique and part of the new decor is this tree. Sprouted overnight, it did.

such notification is a courtesy and not a specific legal requirement, and that Franklin's omission would not invalidate the proposed ordinance.

Mr. Sander says he doesn't think Princeton Township will have a representative at this Thursday's meeting.

TWO FIRMS ENTERED

On Witherspoon Street. Thieves hit two Witherspoon Street businesses on separate nights last week, taking \$270 worth of radio and hi-fi equipment from Gordon's Radio Shop, 221 Witherspoon, and \$30 in change plus auto bearings from Motor Parts Princeton, 190 Witherspoon.

Police received a report of three boys attempting to break into the radio shop around 11 p.m. Wednesday. When patrolmen Arthur Jackson and Gerald Patterson investigated, they found a window broken in the shop.

Gordon Jacobs, owner of the store, was contacted and discovered several items missing. Police searched the area and managed to recover a large radio and a speaker in a nearby driveway.

On Friday George McFarland, manager of Motor Parts, called police to report that a small window had been broken in his shop. In addition to the cash, about \$24 worth of auto bearings was originally taken.

but about three fourths were recovered.

House Entry Foiled.

Jeremiah Finch, 25 Mercer Street, reported to police Friday night at 11:30 that he had surprised a man cutting the screen on his kitchen door. Mr. Finch said he was in the front of the house when he heard a noise. The man fled when he turned on the kitchen light. He described him as white with black curly hair, about six feet and wearing a grey jacket.

Mrs. Melissa Laughlin, 380 State Road, manager of the Little Heel, 199 Nassau Street, reported the theft of her wallet containing \$25 from her purse at 2:50 p.m. Wednesday. She told police the theft occurred when she went into a back room for a few minutes, leaving her purse up front.

WOMAN IS CHARGED

On Two Burglary Counts. A Willingboro woman, captured after a high-speed chase through part of Princeton Township, has been charged with conspiracy to commit burglary and possession of burglary tools.

Ennice Reed, 29, was released on her own recognizance by Township Magistrate Glen Miller after spending two nights in Mercer County Jail. She had been arrested Tuesday.

day night following the burglary of three homes in the Greenhouse Drive - Mercer Road area.

Det. Sgt. Norman Servis and Ptl. David Potts, sent to investigate a burglary, spotted Miss Reed cruising in the area. When they attempted to question her, she sped down Mercer Road and turned right into Springdale Road. Another township patrol car, driven by Ptl. Jerry Offredo, was in the area and Miss Reed was finally halted near the Institute for Advanced Study.

She was also charged with several motor vehicle violations.

COLLISION INJURES ONE

Stop Sign Not Seen. Failure by a motorist to notice a stop sign at the intersection of Franklin Avenue and Jefferson Road. Friday caused a two-car collision and minor injuries to one of the drivers involved.

Dab C. Sun, 31, of 222A Harrison Street, received a fractured rib and cuts on his chest and right knee, when he entered the intersection without heeding the Franklin Avenue stop sign and his car was struck by one driven by Albert Simpson, 47, of 13 Maclean Street, Mr. Simpson was traveling north on Jefferson at the time.

Mr. Sun, who was treated at Princeton Hospital and released, told police that he was not aware of the sign and thus did not stop. Police also noted that he was not wearing corrective lenses as required by

MAN FINED \$285

Four Violations. James J. Carson, 47, of 54 Leigh Avenue, is serving 97 days in the Mercer County Jail in lieu of paying \$285 in fines levied in court Monday night by Borough Magistrate Theodore T. Tams Jr. Carson was found guilty of four offenses and is working off the fine at \$10 a day. Involved in a hit and run accident on July 18, he later pleaded guilty to leaving the scene of an accident, drunken driving, using fictitious plates and being an unlicensed driver.

In other court action, Marvin H. Carmon, 23, of 46 Wilcox Street, paid \$15 for careless driving, and Joseph B. Kuley, 19, of 21 crescent Avenue, Rocky Hill, was fined \$15 for being an unlicensed driver.

Carl W. Meeker, 19, of 12 Pine Street, paid \$15 for a noisy muffler.

James E. Rayner, 19, of 6 Gulick Road, was fined \$15 for operating a vehicle with a learner's permit, and Martha Davis, 25, of Kingston, was also fined \$15 for the same offense and paid \$15 more for careless driving.

In criminal court, Willie Sprall was given a 20-day suspended sentence and placed on one year's probation for disorderly conduct. He also paid \$10 court costs.

News Of The THEATRES

LAST CHANCE . . . !
 For Sommer Theatre, Bernard Shaw's witty "Arms and the Man" will conclude the 1968 season for summer Intime.
 This Thursday, Friday and Saturday evenings at 8:30, Sommer Intime's cast will bow out with performances of the Shaw comedy at 8:30 p.m.

R. Edward Townley has directed Charlotte Forbes as the romantic Raina and Peter Evans as Bluntschli, the soldier who loves chocolate cream and has rather cynical ideas about courage and the fighting man.
 Tickets may be reserved by calling 452-3637.

"RAISIN" TO PLAY
 For Bredell, "A Raisin in the Sun," Lorraine Hansberry's prize-winning play about the struggle of a Negro family to escape slum conditions, will be presented this Thursday at 8:45 in a benefit performance for the Human Relations Council of Greater Trenton.
 The play will be given at the Theatre in the Park, Cadwallader Park, in Trenton. Tickets, at \$3 and \$5, with a special \$1 student rate, will be available at the Theatre box-office.

Geraldine Bryan, who was featured in the Theatre-in-the-Park's production of "The Owl and the Pussycat," will star in "Raisin in the Sun" and Garrett Sunders will be directed also. Lee R. Yopp will direct.

ACTION
 At Sundance, Action theatre and underground films will bring to a close the summer season of chamber music and American arts at Sundance, Upper Black Eddy, Bucks County, Pennsylvania.

This Friday, "The Gift Rite," described as a "jazz-medieval collision with the myth of fire," will be presented. This is the Ken Dewey Action Theatre production which has been performed in earlier versions in San Francisco and Paris.

This Saturday and Sunday, Sundance will show its annual selection of films from the New American Cinema. Titles, selected with the assistance of James Stoller, 16mm critic of The Village Voice, include Mike Kuchar's "The Craven Sluck," Red Groom's "Ruckus Shorts" and Warren Sonbert's "Autosalvage."

Also scheduled is the newsreel called "Chicago," dealing with the demonstrations planned for later in August against the Democratic convention in Chicago.
 Reservations may be made by calling 215-847-5303.

PLAYHOUSE
 Petulia (now playing) has all the trappings of a far-out film — realistic blood and gore, rock stars, psychedelic effects, a hippy or two on a trip — but it is quite conventional in plot and characters. Of course, there is that scene in the restaurant with topless waitresses where the two physicians go for lunch only because the stew served is good.

MILLIE: Julie Andrews is the millionairess-bewitched flapper in the musical satire on the 1920's, "Thoroughly Modern Millie," held over at the RKO Brunswick.

Julie Christie is Petulia, who shakes her rich bridegroom of six months (Richard Chamberlain) in favor of a doctor, George Scott. She turns up where and when Scott least expects her — outside the operating room or even when he's with his steady date. The papered film is swift and jerky. There are many flashbacks and cut-ins, making the story a tough one to follow. The color is sharp and clear, which is all to the good for Christie's blue eyes. Scott, though competent, seems to fall somewhat short as a romantic lead for the mercurial and incomprehensible Petulia-Christie.

GARDEN, TRENT, PRINCE
 For the Love of Ivy (now playing) is a situation comedy contrasting over-charming Petulia and inept whiz. It is the first film by Palomar Pictures International, subsidiary of American Broadcasting Company.

Abbey Lincoln is "Ivy," a maid in a Long Island household who panics the family when she announces that she is leaving to go to secretarial school. The family youngsters are a hippie played extremely well by Beau Bridges, son of actor Lloyd Bridges, and a more conventional daughter acted by Lauri Peters. They plot to acquire a boyfriend for Ivy, in hopes that will make her happy and lead her to stay on the job.

They pick Poitier, a trucking executive, who is divorced and not about to try again. Ivy and Poitier wind up in bed in his palatial Harlem duplex on — Continued On Page 8

A LYON ON THE DOOR: H.B. Lyons (right), realtor in Lawrenceville, admires the Florestone door emblazoned with heraldic lion. Ted Ubray (center) points out that this is the first decorative Florestone door sold in this area. Mr. Ubray is vice-president of Decor by Florestone. John McMahon, president, looks on. If you prefer an American eagle or a Chinese mandarin to a lion — see "New to U.S."

IT'S NEW To Us

SPLendor ON THE WALL
Medieval? Egyptian? Florestone is a thick liquid which turns into man-made "stone" when it is poured into a mold and allowed to harden.

Removed from the mold, it gives you a splendid wall plaque or a distinctive door in almost any historical period you prefer.

You can examine Florestone at the new Decor by Florestone, Inc. studio at 167 Pennington Road, Hopewell. From Princeton, drive through Hopewell on Broad Street, the Pennington Road. Easy to reach, pleasant spot, lots of free parking space.

Inside, you'll find wall plaques from every era in history starting with ancient Egyptian; Greek, Roman, medieval Spanish, medieval English, Tudor English, Mandarin Chinese, Early American Mayan, Aztec.

Florestone's representative is John McMahon, who is president of Decor by Florestone, Inc. His partner is Ted Ubray,

vice-president of the shop. Mr. McMahon likes best the way Florestone makes a dramatic door. And a dramatic door especially well-suited to a business or professional office — wait until you see Justice with her scales and her owl, ready to become the door of a lawyer's office.

A knight in armor, almost full-size, has been done in antiqued copper against antiqued silver for another door. And just to show you the versatility of Florestone, Mr. McMahon has done the knight in reverse — antiqued silver on copper.

When we say that Mr. McMahon has "done" the knight, we mean that he pours the Florestone into the molds himself in the basement of his Hopewell studio-showroom.

An artist and craftsman by talent and training (the former Trenton School of Industrial Arts) Mr. McMahon has an eye for subtleties color and shading, and an enthusiasm for the versatility of Florestone! It will take any color, any shade, any texture you wish — you can have that knight in pink armor, if you like.

The viscous liquid picks up the smallest detail of line or texture. As an example, we suggest the sensitive "wood" mook. You'd swear he had been carved a thousand years ago from oak now weathered to an ancient blackish brown.

Then examine one of the Aztec calendar stones on the Florestone wall. These familiar discs have been executed by Mr. McMahon in several sizes, colors and textures so that you can see the versatility of the stone and choose the color and texture you like best. You are familiar with the intricate and detailed carving in these Aztec stones — Florestone picks out all the detail, every line. (One of the McMahon stones is more than 36 inches in diameter; other are plate-size.)

There are several Mayan designs, too, including an elaborately carved Mayan priest which has been mounted on a front door. The Mayan totem is quite dramatic, too. If you lean toward the Far — Continued on Next Page

their second date. Ivy goes

and funds the boushould in total
disorder without her.
Negroes have long been bitter
about their image in the
theatre. Whites have come off
poorly in this offering. The Negroes
are competent, attractive,
and intelligent; the whites are
stupid, inept and dull.
There are three songs: "You
Put It On Me" sung by B. B.
King, a great blues singer.
"My Side of the Sky," sung by
Cashman Pittilli, and the title
song, sung by Shirley Horn.

It's New To Us
—Continued From Page 7—
East, you'll like the golden
dragon curving up a jade
green door, or the mandarin
figure against lacquer red. An
other Chinese door has square
designs enclosing the classic
medallion.
We should emphasize that
colors like "green" or "red"
are shaded deeply, almost to
the point of the "antique."
But again, you may have al-
most any degree of color or

shading, which you prefer.
The Princeton tiger, for example,
can be bright orange or
sophisticated burnt-orange.
The Early American wall at
Decor by Florestone has a
freeze of Pilgrims in soft cop-
per and brass, moving through
silvery trees. One display con-
sists of American medallions
by E. E. Burr, who designed
the Kennedy half dollar. You'll
find ten-inch plaques of the
Liberty Bell, a spinning wheel,
an Indianhead penny, the pro-
file of George Washington, and
the like. There is also, of course,
a wide-winged American eagle
and a platoon of Confederate soldiers.

In the Classic Department,
are "stone" fragments, like
the Roman legionnaire on his
horse, or the charming fluted
player, Roman and Greek
coins have been cast with exact
fidelity, to make a nice
wall decoration — for a bank,
perhaps?
But the shop likes best those
full-scale doors \$135 for inter-
ior doors, \$145 for the solid
core outside door.
Or, if you don't need a door,
you might select the chugging
steam engine and its train of
cars for a train buff's den.

Brides who want to sign
up for gown, veil and slip-

low at least six weeks for
everything to be sewn in
place.
Some of the more elaborate
wedding gowns require
as long as two and one-half
months to complete — all
those bugle beads to sew on,
and sew forth — and all
gowns are done on special

One wedding now being

plete, complete.
Buy your wedding gown,
slippers, veil, headpiece, gifts
for the wedding party, brides-
maids' dresses and slippers
and headpieces, wedding mem-
ory books, invitations, ensem-
bles for the mother-of-the-bride
— and you'll receive as a gift
a happy little surprise which
we won't divulge.

The shop is a cool space of
crystal, French provincial
furniture, soft gold carpeting.
You should make an appoint-
ment because the staff likes to
allow you plenty of time to do
the most exciting research of
your life. (Call 924-7243. Eve-
ning appointments? Certainly.)
Gowns range from \$125 to
\$350; veils from \$25 to \$150.
Bridesmaids' dresses are \$30
to \$75; headpieces from \$7.
Right now, the fall and winter
wedding is on display.
Gowns, with one exception,
have long sleeves. Most have
rather high necklines.
For a statuesque beauty,
there is a satin gown with a
mandarin neckline, a deep-
jeweled "Cleopatra" the same
jeweling four inches deep —
around the edge of the long
sleeve.

A more demure bride will
want the gown with the bodice
of pearl-embroidered Alençon
lace, and the flaring lace Ca-
valier cuffs at the wrist.
A damask brocade gown is
unadorned, except for a
satin bow, which she should
This gown is cut princess
style.
From the big glass showcase
of accessories, the bride will
choose, perhaps, the tiny tiara
of pearls. Or maybe the little
Dutch cap of white satin. Or
the headband of iridescent
beads.
Veils may be the bubble
style, or perhaps silk illusion.
And there are long or short
lace mantillas.

Bridesmaids' dresses of fall
and winter, are richly colored
velvets or taffetas. Our favor-
ite is a deeply brilliant royal
blue velvet with a band of
blue satin at the Empire waist,
and a back bow to match.
Most bridesmaids' dresses
have a lot of back interest,
so the congregation can have
something to look at while the
procession moves down the
aisle.

One unusual bridesmaid's
gown has a dark chocolate
brown taffeta skirt and a beige
lace shirt top with long, ruf-
led sleeves. Can't you see it
with russet autumn flowers?
Sample books allow bride
and attendants to select colors
and fabrics, and there are so
many choices you'll need a
computer to calculate them
all.

While you're deciding, send
mother over to the collection
of street-length ensembles for

What you did on your first honeymoon is your business. What you do on your second, third, and fourth is ours.

Vacationing is our business, the romancing is up to you. And you'll
vacation in the world's most romantic places - Mexico, the Caribbean
and Europe - as a member of Club Internationale.
This is what it costs: Only \$1 a day for three years (\$1095), plus
annual club dues of \$30 per person.
This is what you get: Two 8-to-10 day vacations to Mexico and the
Caribbean. Wind-up with a 20-day grand European holiday.
Club Internationale is America's first and oldest nationwide vaca-
tion savings club. It is under the exclusive management of Diners
Club. The world-wide facilities of Diners Club and Diners, I Lagny
Travel make these great vacation values possible.
The Club chapter in your area meets all year 'round for dinners,
dances, bridge parties. Weekends of golf, skiing or swimming are all
part of the fun. Chances are good you have a friend or neighbor who
belongs to Club Internationale.
Enjoy a vacation a year for the
next 3 years. See Europe,
Mexico and the Caribbean with
Club Internationale

Engagements and Weddings

ENGAGEMENTS

Reinhold-Goodman. Miss Jane Reinhold, daughter of Mrs. Frederick R. Gates of 255 State Road, and George Reinhold Jr. of Garden City, N. Y., to Burt M. Goodman, son of Mr. and Mrs. Ben Goodman of Rock Hill. The wedding will take place September 21 in First Presbyterian Church.

Miss Reinhold attended Parsons College and graduated from the Princeton Hospital School of Nursing. Mr. Goodman attended Keystone College and Arizona State University. He is now director of Radio Station WKOK, Sunbury, Pa.

Douglas-Marcus. Miss Susan W. Douglas, daughter of Mr. and Mrs. Paul M. Douglas, 48 Cleveland Lane, to Aaron Marcus, son of Mr. and Mrs. Nathan Marcus of Omaha, Neb. A late summer wedding is planned at the Stony Brook Plunge Meeting House.

Miss Douglas, a June graduate of Washington Square College of New York University, attended Princeton High School and the Laurel School in Shaker Heights, O. She combined her studies at NYU with work at the Metropolitan Museum of Art for three years and plans graduate study in the Institute of Fine Arts.

Mr. Marcus, a 1965 graduate of Princeton University, recently received a master's degree in Arts from the School of Art and Architecture at Yale University. He will join the faculty of the School of Architecture at Princeton University in September.

Levin-Dreier. Miss Beatriz S. Levin, daughter of Mrs. Zinna Kalmansky de Levin of Riverdale, N. Y., and Buenos Aires, and the late Pablo Levin of Buenos Aires, to Garrett B. Dreier, son of Mr. and Mrs. Stuart S. Dreier, 472 Stockton Street. The wedding is planned for September 7 at the Plaza Hotel in New York.

Miss Levin attended Belgrano Girls' School and the University of Buenos Aires. She was graduated in 1967 magna cum laude with honors in Spanish from Columbia University. She is a master's degree candidate at Columbia where she is a Fellow of the Faculty in the Spanish Department and a National Defense Foreign Language Fellow.

Mr. Dreier is a graduate of Dartmouth College, Class of 1964, and holds a master's degree from the Graduate School of Business of Columbia University. He is associated with Excel Products of New Brunswick.

Vernilya-Zipp. Miss Harriet W. F. Vernilya, daughter of Mr. and Mrs. Howard P. Vernilya, 375 Snowden Lane and Little Compton, R. I., to Stephen J. Zipp, son of Mr. and Mrs. Harold W. Zipp of Medina, Wash. The wedding will be held in October in the Princeton University Chapel.

Miss Vernilya, a graduate of Dana Hall and Mount Holyoke College, holds a master's degree in city planning from the Yale University School of Art and Architecture. She is with the Office of Community

Renewal Planning of the District of Columbia. Mr. Zipp, an alumnus of the University of Virginia, served in the Naval Reserve as a lieutenant (j.g.). He is an associate in the architectural firm of Willy & Faulkner, Washington, D. C.

WEDDINGS

CRAPTS ON VIEW

At New Hope, Ceramics, wood-carvings, glasswork and other crafts will be on view and for sale from August 24 to September 2 in New Hope at the Legion Hall on New Street. Samples of the artists' work are now on display at The Game Room, 124 Nassau. Among artists whose work is being shown is Sorrell Gould, a member of the staff of Vike Furniture. Mr. Gould's wood veneer pictures are part of the crafts exhibition. The New Hope show is the ninth annual exhibit and sale of the Bucks County Guild of Craftsmen. The Legion Hall is open from 1 p.m. to 9 p.m. daily. Parking is free.

SENATOR CASE REPORTS On Progress to Congress

(Following is a report from Clifford Case on the work load facing Congress when it resumes in September following the recess for the national party conventions.)
For the 12th year in a row, Congress has failed to meet its proclaimed goal of adjourning by the end of July.

and will resume in September after a recess for the national party conventions. It is probably unrealistic to expect the Legislative Branch to meet so early a deadline for completing its work. Yet memory of the unproductive and contentious post-convention sessions of 1948 and 1960 should have spurred the leadership to greater efforts to avoid a repetition in this Presidential election year.

Senate Majority Leader Mansfield has said that "we have more work facing us in the post-convention period than we have had up to date." And it is an undeniable fact that only four of the 13 regular appropriation bills have been cleared for the President's signature at this writing. Others may be cleared before the recess, but it will be September before the Senate takes up money bills for the Defense Department and the foreign aid program. The President's nomination of Justice Abe Fortas to succeed Chief Justice Earl Warren is but one of several controversial matters the Senate will seek to resolve after Labor Day. Consideration of new gun legislation and of the treaty to prevent the spread of nuclear weapons will also come after the recess.

Concerns of Congress. To date, the major legislative concerns of Congress this year have focused on budget problems, the urban crisis, crime control, consumer protection, and conservation measures.

Faced with a budget forecast of unacceptably large deficits in 1968 and 1969, Congress finally enacted a bill to cut estimated expenditures by \$6 billion and to levy a surtax on corporate and individual income taxes. For most taxpayers, the surtax will amount to 7.5 percent of the tax otherwise due on 1968 income. I supported the formula, when it was first proposed in the Senate, as unavoidable in the light of inflationary pressures at home and an attack on the dollar abroad.

Meanwhile, attention has shifted to the problem of assigning priorities in designing programs to be cut. As a member of the Senate Appropriations Committee, I have been working for reductions in such low-priority areas as the space program, farm subsidies, the supersonic transport program, and the anti-ballistic missile system. Conversely, I believe that we cannot afford to cut back our efforts to meet the urban crisis, through existing and improved education, job, housing, law enforcement and other programs.

Congress has already approved some important initiatives in this regard. The Civil Rights Act of 1968 is notable for its open housing provisions. New housing legislation expands on the rent supplement program to provide incentives for low-income families to acquire their own homes. I shall continue my efforts to insure that adequate funds are furnished for these and related programs.

SURROUNDED BY PRINCETON. Photomurals of Princeton bring cheer to the walls of the room in Princeton Hospital that houses the new cobalt therapy machine. With the new machine — most advanced of its kind — doctors can treat tumors effectively anywhere in the body. Miss Sharon McNamara, technician, stands near the machine — and a photo of Princeton macdonia in bloom.

costs of most credit transactions, should be of real value to many consumers. Congress has also ordered a study of the automobile insurance industry in the wake of sky rocketing premiums and arbitrary cancellations of policies.

Among conservation measures already approved by the Senate is one, which I was happy to co-sponsor, designating the Great Swamp area of Morris County as part of the national wilderness system. It is also gratifying to report that, in authorizing the Central Arizona project, Congress has adopted my position in opposition to the proposed construction of two dams in the Grand Canyon.

Reform proposals, by contrast, have fared badly. Proposals to revamp campaign financing laws and the electoral college system are stalled. The House has yet to act on the Legislative Reorganization Act passed by the Senate more than 16 months ago. And the Senate's new rules of ethics fall well short of the full disclosure principle that must one day prevail.

X-RAY SERVICES GROW
With Hospital Addition
Princeton Hospital's x-ray department, now relocated in the lower level of the \$3 million ("J") addition, boasts new facilities for the convenience of both patients and personnel. A cobalt rotational therapy machine, used for radiation treatment of cancer and other tumors, is the most important

of the new services. Set in a windowless room with thick, mural-covered walls to guard against the escape of radiation, it is housed in a vault-like structure to disguise its awesome appearance.

A ring supported x-ray table is able to tilt the patient from horizontal to vertical positions. As the table shifts, the x-ray camera also adjusts its position to focus accurately on the patient.

Fluoroscopic examinations will use the new equipment to —Continued on Next Page

allow records on film or magnetic tape, to provide for repeated viewings of still, sequential or motion pictures by the doctors involved with the radiation department. An automatic photographic processing machine in the new offices will develop x-ray films in 90 seconds.

For the administrators, an electrical — powered rotary file uses pushbutton controls for references to the records of several hundred patients, with easy access to all x-ray films, which will be stored in a separate room. Increased lounge space, with a separate area filled with toy-like, small-scale furniture for children, will make visits to the new department headquarters more enjoyable.

If the new facilities attract more patients than the existing plant can handle, one solution is to go up: the new addition's foundations, supporting two and a half stories, are strong enough to hold ten floors.

CHINESE ART PURCHASED
By Princeton University. Chinese art purchases totalling "well over \$1 million" have been announced by Princeton University, including "the world's first comprehensive collection" of 17th century Tao-chi.

According to Dr. Wen Fong, Curator of Oriental Art at Princeton, the group of 16 works by Tao-chi, a member of the Individualist School who was a leader in the development of Chinese art, represents a step forward in the study of Far Eastern art, "beyond the picture books which scholars have produced until recently."

Dr. Fong explained that problems of access to Oriental art and the common forgeries in the field have discouraged collectors from acquiring and studying it. "The time is now ready for Western scholarship to deal with major Far Eastern artists as individuals," he said.

Also included in the purchases, which are funded by New York physician Arthur M. Sackler, is a group of 84 bronze pieces, spanning more than 2,000 years of Chinese artistry. Dr. Fong said the value of many of the 45 ritual vessels included in the collection may range up to \$50,000 each.

Other important acquisitions include a 12-inch statue of Kuan-yin, the predecessor of the Buddhist goddess of mercy, dating from 540 A.D., and several paintings from the Ming and Ching dynasties.

ROUNDUP ATTENDED

By Princeton Girl Scout. Robin Cowen, 8 College Road, a member of Senior Girl Scout Troop 26 of the County Girl Scout Council, will return Saturday from a roundup of 33 selected girl scouts from this country and Canada.

Held at Camp Hilaka, West Richfield, O., the two-week program has sought to help senior scouts to understand the role of women and to explore careers in business, education, science, health, civic affairs and politics. Entitled "After Tomorrow," the affair is providing field trips to Cleveland and nearby areas to give the scouts a chance to meet outstanding women in these fields.

Robin was selected from a large number of applicants by a national committee of Girl Scouts of America.

 To the Editor of Town Topics: Thank you very much for the publicity you gave the play and carnival we held on August 5. By including some donations, we raised \$100, which we sent to UNICEF to be used to relieve the famine in Biafra. Suggestion Seconded.
 To the Editor of Town Topics: May I most respectfully endorse the suggestion of Mrs. James P. Kelley and second the motion as has been done by Mrs. Charles H. Peal. Our adorable Siamese Cat strayed from her home leaving us saddened. With the kind and efficient cooperation of Mrs. Graves every effort was made for a happy reunion. I was fortunate this community is to have found in one person the epitome of grace and love this type of dedication required.
 May we all say, "Thank you again, Mrs. Graves."

No Back Palting Needed.
 To the Editor of Town Topics: Recently, for the umpteenth time, I have read in your paper a letter commending the head of the Animal Rescue League here in Princeton. Our town is endowed with people who volunteer much of their time, their effort and money for many worthwhile causes; recording for the blind, fresh-air parents, canvassers for the Heart Fund, Cancer Society, March of Dimes, M.S. tutors at the Study Center, workers at the Neuro-Psychiatric Institute, volunteers for Youth Associates, Psukey, etc., etc.

The list is virtually endless, but these men, women and our youth don't collect pats on their backs. Their gratification comes from the results, and they are satisfied to feel thus rewarded.

BOYS TOUR CANADA
 On Bicycles, Ken Buckland, son of Mr. and Mrs. J. A. Buckland, 312 Prospect Avenue, and Don Fox, son of Mr. and Mrs. F. E. Fox, 28 Vandewater Avenue, are bicycling around Canada, after peddling 450 miles in six days to reach the northern nation. Sopomore runners for Princeton High School's cross-country team, they are using the summer excursion as conditioning for the fall season.

...the man entered the store and handed her a dollar to pay for some gum. When she opened the cash register, the man pulled the gun from under a sweater and walked behind the counter.
 Arriving in Montreal July 29 after riding through Hyde Park, Saratoga Springs, Fort Biondore and a YMCA camp on Grand Isle, in the middle of Lake Champlain, they visited Expo and set off for Quebec City. When last heard from, they were heading (by train, this time) for Halifax, Nova Scotia.
 The boys planned the trip themselves, with test runs conditioning that convinced them to limit their loads to 15 pounds, carried in a waterproof bag strapped to the rear of the bicycle or on a mountain pack on the cyclist's back. They buy their food on the road and stay overnight in hostels and camps.
 Friends of the boys who are worried because they haven't yet gotten post cards may blame the Canadian post office strike. In Montreal, they were offered positions as messenger boys for Western Union.
PHARMACY HELD UP
Bandit Gets \$70. A man armed with a long-barreled gun last week held up McGrath's Pharmacy, 2543 Main Street, Lawrenceville, emptying the cash register of about \$70 in cash.

"Life in Princeton" by Svetlana Alliluyeva

Seeking to reply to an article published in a French newspaper, which described her as lonely, unable to adapt to American life and longing to return to her two children in Moscow, Svetlana Alliluyeva wrote a letter to a friend in Paris, giving her true feelings about her life in Princeton.

Published last week by The New York Times, the letter contains several passages in which Miss Alliluyeva expresses her satisfaction with her life here. They read: "In Princeton and in New York, which isn't far away, I have many friends. More Americans, I must confess, than Russians. It is easy to get on with Americans — they are kind, hospitable, straightforward people, and it's simpler and far easier for them to accept me just as a human being."

"I have many friends in Princeton. If I suffer at all, it's not from loneliness but rather from an excess of invitations which I do not refuse. I am interested in meeting and getting to know people in their intimate surroundings (I only categorically refuse to appear as lecturer in colleges and universities because that is not my line).

"The college town of Princeton is full of interesting and delightful people from all over the world. I enjoy this freedom of intercourse, of which I was deprived during my whole life in Russia. After being cloistered in Moscow for 40 years, my life is now really free, full of interest and significance for me."

Miss Alliluyeva also denied two other comments about her life contained in the article. "I do not remark every morning around the institute in which Einstein worked (though I am friends with his daughter, Margot); I can find no implements anywhere around me which would indicate a 'secret surveillance' over me by the police..."

A son, William Miles, was born to Mr. and Mrs. Richard Partridge of 94 Longview Drive on July 23 at Princeton Hospital.

DIVISION HEAD NAMED

By Applied Logic. Rederick E. McMillan, 13 Cherrybrook Lane, East Windsor Township, was appointed head of Applied Logic Corporation's Computer Division last week, to direct system manufacturing, applications programming and a time-sharing computer operation at the Palmer Square firm.

Mr. McMillan, a graduate of Maryville College, Maryville, Tenn., was formerly manager of the Digital/Hybrid Programming Department at the Princeton division of Electronic Associates, Inc. He served previously with General Electric and Computer Sciences.

FILM PROGRAM PLANNED

For Lloyd Terrace Residents
The Princeton Public Library

and the Princeton Housing Authority will present films to Lloyd Terrace residents next Tuesday evening at 8 in the housing project's recreation room.

The three films are "Breath of Spring," shot in British Columbia; "Explore Expo '67," from Montreal; and "Fun Facts," a look at Mack Sennett's slapstick. Refreshments will be served after the program.

VOTERS MAY REGISTER

At Mobile Unit, Princeton's League of Women Voters has announced that its Mobile Registration Unit will be open from 9 a.m. to 9 p.m. next week to record registrations or changes of residence for the general election November 5, in addition to the regular hours of the local clerks' offices.

The unit will be located at the Princeton Junction Fire House 5, Tuesday, Harrison Street Fire House, Wednesday, City Hall, Thursday, August 22.

OPEN MEETING SET

By Sex Ed Committee. Soundings of public opinion will be taken by the Princeton Area Committee on Sex Education at a "Parent Program Planning" session at 8 p.m. next Wednesday, August 21, in the Princeton Public Library.

Ralph Bloom, committee chairman, scheduled the meeting at this time as a broad spectrum of opinion is sought before the committee completes program plans for the coming year.

Committee members, representatives of the PTO and PTA groups and interested parents in the community will explore the felt needs for sex education programs and resources in the field.

PLATFORM MEETING SET

At Winslow School. U.S. Rep. Frank Thompson Jr. (D-N.J.) announced last week that Democratic platform hearings for the Maryland Delaware-New Jersey region will be held Friday at Princeton University's Woodrow Wilson School, beginning at 10 a.m.

Rep. Thompson and Rep. Hugh L. Carey (D-N.Y.) are leading a national effort to hold hearings before the Democratic Party's national convention in Chicago, where records of the hearings will be presented to the National Platform Committee.

Democratic congressmen from the region will participate in the hearings, to feature prepared statements and testimony on domestic and international issues.

Testifying at the Princeton meeting will be Louis Fischer, an expert on foreign policy and the Soviet Union; Fletcher Knebel, author; Ralph A. Dungan, Chancellor of the state's Department of Higher Education; Paul J. Krebs, executive director of the state's Office of Consumer Protection; Lloyd B. Wescott, president of the state Board of Control of Institutions and Agencies; Quint Tamm, executive director of the International Association of Chiefs of Police; Raymond A. Brown, of the State Commission on Civil Disorders; and Joseph Monserrat, of Puerto Rico's Migration Office.

CABLE TO BE INSTALLED

Under Hopewell Street. New Jersey Bell Telephone announced plans this week to place underground cable on West Broad Street, Hopewell, to increase Hopewell's telephone facilities and provide additional trunk line service for Princeton, Lambertville and Trenton.

Robert G. McGroarty, manager of the company's Princeton office, said the cable will run beneath the north side of West Broad Street, from Greenwood to Louellen Avenues. Completion is planned by mid-September.

PEOPLE In The News

NEW DIRECTOR NAMED
For Youth Center, Wilbur I. Williamson, 254 John Street, has been appointed Center Director at the Princeton Youth Center, to be responsible for the physical plant, Center administration and coordination of the Center's activities with the Program Director, the other top position at the Center. Mr. Williamson joined the

Youth Center staff in February and has served as acting director since the resignation of Robert B. Engerbreton. The personnel committee of the Youth Center's board of trustees is still serving as a program director, to complete the dual executive leadership desired under the Center's reorganizational restructuring. The program director will deal with existing projects and development of future programs.

Miss Susan Koch, daughter of Mr. and Mrs. H. W. Koch Jr., Cherry Hill Road, will enter Briarcliffe College in September. A graduate of Princeton Day School, she plans to major in elementary education.

Four Princeton residents graduated with honors in June from Princeton University, including Werner K. Kniffler, 30 Spruce Street, honors in history; Denis W. Frodsham, 44 McCosh Circle, honors in geology and geological sciences; Richard L. Reynolds, 123 McCosh Circle, honors in geology and geological sciences; and Leonard F. Svec Jr., 91 Bertrand Drive, high honors in civil and geological engineering.

Hillery S. de Bea, 5 Millbrook Lane, Lawrence Township, recently delivered a paper entitled "Estimation of Deletable Links in Electron Probe Microanalysis" to the third National Conference on Electron Microprobe Analysis in Chicago. A member of the professional staff at Western Electric Research Center, he is a charter member of the Microprobe Society.

Army 2nd Lt. Bryan V. Gilbert, son of Richard L. Gilbert, 50 Shady Brook Lane, has been assigned to the 3rd General Support Group, near Yung Tau, Vietnam.

Maria B. Fublin, 5 Canoe Brook Drive, Princeton Junction, recently won a prize in the 34th annual freelance writing contest sponsored by "Writer's Digest" magazine. She was one of 300 prize winners from more than 5,700 entries.

Mr. and Mrs. Kenneth Donaldson, Dutch Neck Road, Hightstown, will spend next week at Split Rock Lodge in the Poconos on a vacation sponsored by the Economic Development Council of Northeastern Pennsylvania. Mr. Donaldson, sales manager for Electronic Associates, Inc., of Princeton, registered for the free vacation at a planetary public exhibit in Harrisburg.

Captain William F. Hoadley, son of Mrs. F. A. Hoadley, 16 Front Street, Hopewell, has graduated from the Air University's Squadron Officer School at Maxwell AFB, Ala. A graduate of Princeton High School and Georgia Polytechnic Institute, he was selected for the 14-week course for potential in the aerospace field. The husband of the former Carol Jones, daughter of Mr. and Mrs. W. Herbert Jones, Center Street, Hopewell, he has been assigned to Webb AFB, Tex., as a management engineer.

Thomas J. Riedford, son of Mr. and Mrs. Curtis W. Brandon, Day Road, Plainsboro, has completed basic training at Amarillo AFB, Tex., and been assigned to the Air Force Technical Training Center at Chanute AFB, Ill., for schooling as an aircraft maintenance repairman. He attended the State University of New York's Agricultural and Technical College at Farmville after graduating from Princeton High School in 1966.

Thomas J. Riedford, son of Mr. and Mrs. Anne Riedford, Lincoln Avenue, Griggstown, is participating in a summer field training encampment at Dover AFB, Del., for the Air Force Reserve Officers Training Corps. A 1965 graduate of Franklin High School, Somerset, he is a member of the AFJOT unit at the University of Michigan.

Dr. Morris Handelman, 27 Byron Lane, has been appointed senior research scientist for the department of aerospace and mechanical sciences at Princeton University. A former scientist at Drexel Institute of Technology and RCA, he has been visiting senior research scientist at Princeton since 1964.

Dr. Handelman, who specializes in computing interplanetary trajectories, holds degrees from C.N.Y., the State and Syracuse University, where he received his Ph.D. in 1955.

Recent promotions in the university's professional research staff include: Dr. Donald C. Norton, Senior Research Astronomer and Lecturer with the rank of Professor, Department of Astrophysical Sciences; Irwin Vass, Senior Research Engineer, Department of Aerospace and Mechanical Sciences; Waldemar F. von Jaskowsky, Senior Research Engineer, Department of Aerospace and Mechanical Sciences; David W. Hirst, Senior Research Historian, Department of History, Woodrow Wilson Papers.

Also Dr. John M. Green, Senior Research Physicist, Plasma Physics Laboratory; Dr. Paul H. Rutherford, Research Physicist, Plasma Physics Laboratory, and Lectures with the rank of Associate Professor, Department of Astrophysical Sciences; Dr. Rolf M. Sneloff, Research Physicist, Plasma Physics Laboratory; Wolfgang Stodiek, Research Physicist, Plasma Physics Laboratory.

Promotions in the Professional Technical Staff include: Thomas F. Droge, Senior Staff, Princeton-Pennsylvania Accelerator; Marius V. Kallu, Senior Staff, Princeton-Pennsylvania Accelerator; John W. We Can't Sell You A New 300-SL . . .

BUT, we did breed into the two cars below, a lot of engineering from it!

"THE MERCEDES 250 IS A REAL WINNER"

*Reports a leading Consumer Magazine, August, 1968**

"The Mercedes 250 represents the best-designed compromise for all-purpose transportation that the magazine has tested in recent years. Take size. The Mercedes is only about as long as the compact Ford Falcon, and the diameter of its turning circle is four feet shorter. It therefore can be parked and maneuvered more easily. Yet the Mercedes offers its occupants more fore-and-aft room than a Cadillac. The Mercedes, like the other imported sedans tested for this report, is about a foot narrower outside than the typical full-sized U.S. sedan, about six inches narrower inside. So there may be a little less shoulder room and hip room than one might like when three adults share the back seat. But considering that the driveshaft tunnel makes almost every car somewhat less than comfortable for the man in the middle, the Mercedes' sacrifice of width seems to us of slight significance."

MERCEDES-BENZ 280-SL

"For those who value engineering finesse and high-quality construction, it's alone in the field."

*ROAD AND TRACK, AUGUST 1968**

"Some cars don't change, they just get better. The Mercedes-Benz 280-SL, latest version of a line that began as the 250-SL in 1963, is the same as ever, just better."

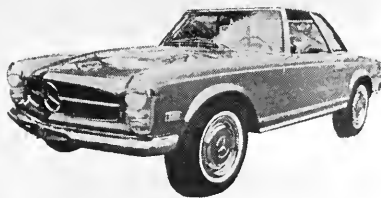

"The primary change is a new cylinder block which raises displacement from 2496 cc to 2778 cc by a respacing of the cylinders and a concomitant bore increase from 82.0 mm to 86.5. Torque is up from 174 lb-ft at 4500 rpm to 193 at 4500, power up from 170bhp at 5600 rpm to 180 at 5700. No question about it, the 2.8-liter engine comes on strong. Up through the gears it has enough acceleration for any traffic need, and top-gear acceleration is quite good from 35 mph on. The 2.8 engine is mechanically smooth and has a nice exhaust note that, while a bit obtrusive at 45-55 mpg in 4th, can be enjoyed to the hilt when revving up through the gears with the top down. Fuel economy has suffered slightly, but the 280-SL can still manage 19 mpg at "freeway" speeds and its 21.7-gal tank gives it a good cruising range."

"In matters of handling, brakes and ride the SL is still one of the outstanding cars of the day. Certainly its (optional, but recommended) power steering is the best available

The Mercedes 250's six-cylinder engine is another good compromise, in the magazine's view. The car performed on a par with most basic V8 models from Detroit. Its acceleration figures matched those of the full-sized Chevrolet Impala 1.8 the magazine reported on in January, while it provided the same fuel mileage as the compact Dodge Dart Six. When it came to ride, handling and braking, the compromises became very small. The magazine's auto testers judged the Mercedes the best-riding car overall that they have ever tested, they judged its handling excellent and the power disk brakes performed flawlessly."

The Magazine rates the Mercedes' ride a solid good under both light and full load. The luxury-car buyer might find the Cadillac Sedan de Ville even more comfortable when he's driving alone or with his wife. But the Caddy's ride deteriorated sharply when the car was fully loaded, the Mercedes' ride did not. The only other car the magazine recalled that handled as well as the Mercedes overall was the Chevrolet Corvette tested in 1966 — and that's not a family sedan."

THE MAGAZINE WOULD RECOMMEND THE MERCEDES OVER ANY U.S. SEDAN. That recommendation goes for the Mercedes 250 and 220 as well as our tested 250. The lower numbered models sell at \$500 to \$700 less than the 250, they are virtually identical to the 250 except that their engines develop less horsepower."

anywhere, giving the impression of just plain easy steering with no trickery about. The ride, over all sorts of roads, is fantastic. The body is absolutely rigid and rattle-free, regardless of which top is installed, and the supple suspension just works away down there without disturbing the superb poise of the SL. Our test car has one ride peculiarity — a rather severe case of "freeway hop" in which the car gets to bounding like a basketball over the slightly humped concrete pavement segments at 65-75 mpg — but a staff member's 250-SL, with over 4000 miles on its odometer, has shed this habit; presumably the shocks have to be broken in. M-B's power-assisted disc brakes are a little touchy at first but not at all tricky. Panic-top capability of the 280-SL is just equal to that of the disc-drum 230-SL — an impressive 90% but fade resistance is improved and we got no fade at all in our 6-stop test (though there was slightly pulling on the 6th stop).

"The SL is perhaps the only sports car that gives a commanding driving position and view of the road. It's not a very low car, and its tall glass areas, relatively low beltline and visible corners make it one of the most maneuverable traffic cars we've ever driven in spite of its relatively large size."

This Fall, Princeton Sophomores Will Play a Waiting Game Varsity Holdovers to Fill Virtually Every Job

TOP LINEMAN: Steve Saner, 215-lb. guard, was rated the best lineman on last fall's freshman football team. There may be a place for him on this year's offensive unit.

SPORTS In Princeton

(FOOTBALL OUTLOOK —
H. Second of a series of four
articles on Princeton's football
prospects for 1968.)

The greater the need to in-
stall sophomores, no matter
how promising, in starting
positions, the more a football
team is likely to be in trouble.
It is, accordingly, a sign of
strength in Princeton's
1968 football picture that only
a single member of the Class
of 1971 has approximately an
even chance of earning a
place in the opening lineup
against Rutgers.

It is not that the sopho-
more crop is below average
—last fall, they whipped Cor-
nell, Penn. Columbia and
Yale by margins ranging
from two to four touchdowns,
lost to Rutgers by a p.a.t.,
and were outclassed only by
Harvard. Rather, it is a case
of unusual holdover strength
in the junior and senior
classes. As indicated last
week, the entire starting
backfield returns intact for
the first time in several
years, and overall, there are
only seven gaps to fill among
the top 22 players who will
comprise the two platoons.

For the past two years, a
rash of injuries has cata-
paulted inexperienced sopho-
mores into starting positions
before they were fully pre-
pared. This was the case
when Don White took over
at quarterback last fall for
Bob Schoene, out for the season
after the third game of
the fall; when guard Joe
Freschi was pressed into
service in early November,
1966; and in mid-season last
year when Mark Biros and
Jim Nixon saw steady start-
ing action as ends.

This fall, if the holdover
lettermen and top varsity re-
serves stay whole, even the
sophomores with the top po-
tential will play largely a
waiting game. Ability to
bring them along slowly is
the goal of every sensible
coaching staff—Dick Colman
and his associates will be
happier about the situation
this year if they do not need
to use half a dozen sopho-
mores in starting roles as
was the case in the final
game against Dartmouth last
fall.

The Top Ten. Each Spring,
freshman coach Pep McCar-
thy names the players on the
squad he is sending up to the
varsity level who he feels are
most likely to make a major
contribution in their first
year. It is a hazardous se-
lection process — occasionally,
for intangible reasons, a
player who was a topflight
freshman will not rise above
the juvvy level until his sen-
ior year, or may drop the
spot entirely.

A year ago, however, Mc-
Carthy's foresight was ex-
tremely accurate. Of his top
ten, ends Mark Biros and
Jim Nixon and fullback Ellis
Moore were regulars before
the season ended. Tackle Bob
Hews, end Bill Schopf, line-
backer Ron Niles and quar-
terback Jon Wright ranked
second in their respective
positions. The other three
were benched by injuries—
end Tom Hutchinson for most
of the season, linebacker Ar-
nie Houtberg and fullback
Fred Wiechec for all of it.

By positions, these are the
top newcomers expected to
make the primary contribu-
tions to the success of the
1968 varsity.

Ends: One assigned to each
platoon. John Hess (6-3, 198)
was the starting fullback on
the freshman eleven last fall,
but with Moore, Don Hazen
and Wiechec all ahead of
him, has been shifted to bol-
ster the less well-manned
spot at shortside end. Speed,
height, pass-catching and
blocking ability are all
among his assets.

There is also a shortage of
manpower at defensive end,
where Bud Nesbit will play.
At 6-2, 205, he is strong and
mobile, and versatile enough
to have captained his high
school teams in football, bas-
ketball and track in Bronx-
ville, N.Y.

Tackles: The starting of-
fensive tackle on the strong
side of the freshman line last
year was 200-lb. Dave Dirks.
The only player at that po-
sition to be singled out
among the top members of
his class, Dirks appears to be
a bet for the future. Two let-
termen (Bruce Eckman and
Bob Jakse) rank well ahead
of him.

Guards: It may be symbol-
ic of the anticipated rise in
Princeton football fortunes
for 1968 that the position
hardest hit by graduation

will be reimbursed by ap-
pearance on the scene of the
player rated the best all-
round lineman on last fall's
freshman eleven. He is 6-3,
215-lb. Steve Sauro versatile
enough to have played as a
defensive tackle and offensive
guard. With both Bob
Dan Slefkiwsky and Bob
Mauterstock, last year's
shortside guards, no longer
available, Saner comes up
labeled as the sophomore
"most likely to succeed" on
a combination of his ability
and the size of the gap for
which he is best suited.

On defense, 200-lb. Brad
O'Brien is similarly blessed
in that he has the potential
to help fill the void created
by the graduation of two
seniors, Captain Lee Hich-
ner and Mike Hollander, at
middle guard. Durability
and mobility are both char-
acteristics he has shown.
Unlike Saner, however, he
is a varsity letterman in
head of him in the person of
the versatile Bill Schopf,
who has been switched from
defensive end to help plug
the gap left by Hichner and
Hollander.

Center: In other years,
when the Tigers seemed con-
sistently to groom a man for
this job as a senior and then
have to start all over again

at the end of the season, sophomore Bill Liddell would have had a shot at a starting berth. This fall, he'll rank behind two experienced players in interman Bob Sivinski and his replacement, Steve DiNap, who takes over for the snaps on punts and placekicks. Liddell (6-5, 210) started all the freshman games and has a solid future on his size and blocking ability.

Offensive Backs: One of the players with the greatest promise will be brought along slowly because of the depth ahead of him. Tailback Brian McCullough (6-0, 185) ran and passed with marked authority last fall, winning the Lourie Award as the outstanding freshman. However, he is likely to remain third on the depth chart behind Captain Rich Bracken and Junior Scott MacBean.

His understudy in the Class of '71, Chris Montgomery, is sufficiently versatile so that if the log-jam at tailback is too great, he can run out of the three back slot or move over to the defensive backfield. His height and weight are identical to McCullough's.

Another all-around back is Pete Hauck (6-2, 185). Equipped with good speed, he was used at both wingback and cornerback last year, and can fit on either varsity platoon.

Linebackers: Last year's captain, Chris Waugh, is considered a leading candidate for a position on the defensive platoon. A sure tackler, he's 9-0, 185 and capable in a position among those which felt the attrition that graduation creates.

The early line existing ability among the varsity holdovers is sufficient so that if any sophomore other than Steve Saner at shortside guard earns a starting berth this season, it will be a major surprise.

Next Week: Tentative Lineup

NO. 3 CLINCHES PENNANT

In PBA Baseball. Engine Co. No. 3 won two games last week and lost one in the Policeman's Benevolent Association league, while Engine Co. No. 1 dropped two games to give the title to the No. 3 squad.

Mike Barron and John Mooney each won games on the mound for No. 3, as Barron struck out six in a 14-6 victory over the Elks. Money drove a triple with the bases loaded and added a single to lead the No. 3 bats.

Against Hook and Ladder, Mooney struck out 13 in a tight 2-1 decision. Brian Jeffries and Brian Smith hit key RBI doubles for the winning team. The Italian American Sportsmen's Club scored three runs in the bottom of the fifth to hand No. 3 its third defeat of the season, 5-4.

No. 1 was held to six hits by Elks hurler Glen Christianson, as the Elks capitalized on 18 walks for a 14-0 win, their fifth in a row. Christianson and Tim Moran each had three hits, while the losers' Dave Harwood was 4-for-4.

Legion Post 76's Mike Coda scattered seven hits and was backed up by solid defensive play in the 9-1 win over No. 1 that knocked the second-place team out of pennant contention. John Mittnacht provided the power for the Post, with a single, double and triple.

With several make-up games still to be played, the standings:

MISS LAPIDUS VICTOR

In Two Tennis Divisions. Princeton's Mary Lapidus will grow out of the 16-and-under age bracket in tennis tournaments, but she has no reason to worry. Miss Lapidus is al-

ready winning the 18-and-under.

In the fourth annual Trenton City Junior Championships held last week, Miss Lapidus captured the 16-and-under title and then walked off with the 18-and-under as well. Michael Gloucevitch and Steve Tobolsky earned the 14-and-under doubles title by upsetting the top-seeded pair. Thirty Princeton players entered the event.

This week, Princeton's tournament players will enter the Lehigh Valley District junior championships in Allentown, Pa.

The season's final event will be the Eastern Pennsylvania for boys at Philmont Country Club, beginning Monday. All boys interested in participating in car pool arrangements for the tournament — Continued on Next Page

THE ARM OF THE FUTURE: Brian McCullough, sophomore tailback, is rated a top prospect at Princeton. Son of a former Cornell star, he led the Tiger freshmen in scoring.

Have you
ever thought of
God as Life?

Or Principle, or Mind, or
Soul, or Truth?

These are some of the
synonyms that Christian
Science uses to define God.

Each of them helps the
individual to know God
better.

The name Life, for
example, shows that God is
not a far-off abstract deity,
but is the very source of
our life. He is that close
to each one of us.

If you are searching for
better ideas about God, and
how you may know Him
better, you will enjoy

GOVERNORS' CUP WON

At Springdale, A. part three
on the 20th hole by Dean Chance
won the Governor's Cup for
him and his partner, Ralph All-
aire, Jr., Sunday at Springdale.
The sudden death finish
brought them victory over
Woodrow Wirsig and Paul
Erler. The latter team had fin-
ished the first nine 1 up but
needed a rally to send the
match into extra holes. On the
way to the finals, Chance and
Allaire had defeated Harold
and Oliver Houston and
Maury Mather and Dick Judge.

Member Gussel field. In
women's play last week, a
field of 68 took part in the
Member Gussel Tournament.
Winning the better half of four,
some event were Jane Bon-
thron and Peg Orr of Spring-
dale and Jan Sullivan and
Tassie of Bedenshook. They
shot a net 60.

Placing second were Debbie
Piereson and Mary Wentzel of
Springdale and Barbara Lyle
and Mary Osthelm of Hope-
well. They were declared the
winners after matching cards
with a another team to break
a tie at net 61.

ACCELERATOR WINS

McGraw-Hill loses Playoff.
The suspense created by the
battle for first place between
Accelerator and McGraw-Hill
in the eastern division of the
Business Softball League ended
rather abruptly last Thursday
night, soon after the single
playoff game got underway.
Leading 3, 1, in the second
inning, Accelerator batted
around, scored six runs and
made the rest of the contest a
ho-hum affair. By the time it
was over, the winners had
knocked out 18 hits good for 14
runs, while McGraw could not
manage another tally.

Jack Bartow went all the
way for the winners, giving up
just three hits. Barry Hibbs
was four for four, with a home
run and a double and three
RBIs. John Ruzcek slammed
a three-run homer in the first.
Earlier in the week, both Ac-
celerator and McGraw-Hill had
disposed of other teams, to end
regular season play with 11-3
records. Accelerator downed
RCA Labs 6-3, with Barlow
again gaining credit for the
win. RCA jumped out to a brief
lead in the top of the second,
but Accelerator answered with
four in its half.

ACCURACY AN ASSET: Mrs. Elaine Cook (left) made a
hole in one at Springdale last week, sinking her five-iron
tee shot on the 135-yard second hole. She has also aced the
15th. Mrs. Nancy Ransome of Riverton (wife of one-time
Princeton football star Ernie Ransome) won a "nearest-to-
the-pin" contest with a shut eight feet away on the 15th.

The big blow was a three-run
homer by Darrel Dobin. In-
stead of a small rally that Jones and RCA Astro playing
netted RCA one run. Ed Krei-
ger had two hits in three times
at bat for the losers. McGraw-
Hill wallpated EMR, 18-2, in its
final game to force the playoff.
In the western division, RCA
Astro won its 12th game
against only two losses, but had
to settle for second place as
RCA Labs A won its 13th, beat-
ing FMC, 6-3. Pat Doherty
gave up only six runs on nine
hits to the slugging RCA Labs
EMR. A team, but FMC could man-
age only three runs and seven
hits off winning hurler Wally
Reichert.

Reg Bentivogli and Ron In-
fante each had two hits. Wally
Reichert helped himself with
a four-bagger. Jerry Miglacci
and Bill Smith went two for
three for the losers.

Astro had to battle a little
harder to knock off Dow Jones,
6-5. Although out, 10-6, the
winners managed five runs
early in the game and main-
tained a slim lead. The win-
ning run came across in the
sixth on a single by Herb
Spain. Dow Jones threatened
in the top of the seventh but
two sharp fielding plays
squashed the rally.

In other final games, Col-
umbian Carbon handed ORC
its 14th loss, 21-14. Cyanamid
dropped ERC, 7-5; ETS won
its first game of the campaign,
22-6, over Hopewell TV, and
NCA was handed a 7-0 triumph
when Shell Chemical forfeited
the contest.

Playoffs for the league
championship began Tuesday
evening and will continue this
week, with McGraw Hill paired

RED, NAVY WIN

In Summer Lacrosse, Red
defeated Green and Navy
nipped Blue in games in the
Summer Lacrosse League last
week.

In Red's 5-1 triumph Phil Al-
len scored three times, Gordon
Hart and Bob Fine once. Joe
Perre had the lone Green
goal. Dave Lete had a pair of
tallies to lead Navy with Dave
Liederman and Hart scored
each netting one. The Blue
scoring was split between Phil
Lampen, Matt Alexander and
Bob Parry.

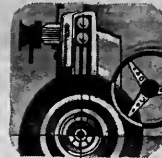

In a Sunday contest against
Fairlane, Princeton came out
on the short end of a 3-3 count.
Lete, Allen and Hart scored.
The season ends Thursday.

News Of The CHURCHES

TO HEAR REV. DALEY
At Union Service, The summer union services of the three Princeton Presbyterian churches will be held at Witherspoon Street Presbyterian Church this Sunday. The Rev. Eliot A. Daley of First Presbyterian will preach at the 8:30 and 10 a.m. services. His topic is "Doing What's Right."

DR. HOPKINS TO PREACH
Upsala Music Scheduled. Dr. C. Howard Hopkins, who has recently returned from the Fourth Assembly of the World Council of Churches in Uppsala, Sweden, will lead the 10 a.m. service Sunday in Calvary Baptist Church. His topic is "Music and Message."

Dr. Hopkins, Princeton Junction resident and member of the faculty at Rider College, attended the fourth assembly as designated biographer of John R. Mott, the moving figure behind the formation of the World Council of Churches.

He will include in the service a tape recording of music composed for the Fourth Assembly, first heard at the opening service in the Upsala Cathedral.

GROUNDBREAKING HELD
For New St. Anthony's. The Rev. William J. Haughey, pastor, officiated Sunday afternoon at the groundbreaking for a new, 800-seat church for St. Anthony of Padua Parish, Hightstown.

The masonry church, designed by Leo Mahoney of Princeton, will rise on Franklin Street property opposite the present frame church. The sanctuary will feature a semi-circular altar, planned so that no seat is more than 64 feet from the altar.

It also includes an addition to the parish hall to house seven meeting rooms for Confraternity of Christian Doctrine classes and parish meetings.

BULLETIN NOTES
Attendance at the vacation Bible schools held this summer increased noticeably over last year, the most recent figures coming from Princeton Church of Christ. Its summer classes averaged 270 attendees daily, plus 30 teachers. Last year, 200 attended.

The church scheduled three buses, bringing youngsters from as far as Plainsboro and Kendall Park to the Littlebrook School, where 16 classes were held daily.

"God's Stubborn Love" is the title of the Rev. H. Dana Farnon's sermon at 9:30 this Sunday in Lawrenceville Presbyterian Church. Infant and toddler care is provided during the service.

YOU CAN GET COPIES OF TOWN TOPICS free in Lawrenceville, Princeton Junction, Plainsboro, Hightstown, Roosevelt, Kingston, Rocky Hill, Hightstown, Skillman, Kendall Park, Hopewell, Pennington, Trenton. Rev. Farnon nearest you, call 921-2200.

"Pig Party" Planned. The Princeton Ski Club will roast a 25-pound pig at a fund-raising "pig party" set for 5:30 p.m. Saturday, September 7, at the Woods, 245 Fisher Place, Penns Neck.

Reservations, limited to 40, are \$4 per person and must be made to Frank Wendt at home, August 25. The rain date is Sunday, September 8. Attendees are requested to bring their own "stables."

SEVEN MORE QUALIFY
For Swimming Olympics. Princeton will have 28 individual swimmers and nine relay teams in competition Saturday and Sunday at the 1975 Junior Olympic Championships. Seven more Princeton youths qualified for the finals in a meet at Ramsey last week.

Dee Dee O'Hara placed third in the 100-meter freestyle for girls 10-and-under, in 1:24.4, to be the best 10-and-under free relay team of Andy O'Hara, Bob Hoedemaker, Mike McKenna and Greg Simons placed fifth with a time of 2:36.4.

Third in the boys' 12-and-under free relay were Chuck Hector, Andy Bolster, Dave Mancini and Mike Roach, in 2:12.1. Craig Wood also swam the 50-meter freestyle in 32.5 to make the final round of six.

Other Princeton swimmers at the Ramsey meet were Pat McKenna, Kris Reeves, Carol Wagner, Rita Pearson and Margaret Martin. Saturday's finals at Lake Mohawk will feature the girls' individual events and the boys' relays, with the finals in the boys' individual events and the girls' relay set for Sunday at Livingston.

Hall of Fame Swimming. Bill Crell, Mike Martin, Carrie Bolster and Joao Fremont placed in the finals of last week's events for senior swimmers, led by Miss Fremont, who finished second in the 100-meter freestyle, while competing for the New Jersey Senior Women's Championship at Ramsey.

At the third annual Hall of Fame meet at Faysoo Lakes, Crell placed second in the 200-meter breaststroke, in 2:39.6, while Martin with a time of 3:02.9, was fifth. Miss Bolster missed a turn in the finals of the 200-meter freestyle for women at Ramsey to place fifth.

TOURNAMENT PLAY SET
For Motor Lodge All-Stars. Play of the National PAL Baseball Tournament will begin this Thursday for the Princeton Motor Lodge. All of the team meets Elizabeth at 8 p.m. on the Trenton PAL Betts Avenue field.

The Motor Lodge squad, composed of the top players from the Princeton PBA League, is going to the tournament for the fourth time. A year ago it reached the semifinals, scoring victories over

Eagle-Giant Tickets
New York Giant fans, who think that Alie Sherman's team can go all the way this year on the basis of the 15-14 victory over the Green Bay Packers Saturday, can obtain good tickets for the Jaycee Football Classic in Palmer Stadium Saturday, September 7. The Philadelphia Eagles will provide the opposition.

Many tickets in good locations are still available in the \$5.50 and \$3.50 price categories, according to game chairman Albert Waxman. He commented that many fans buy seats in the end zone each year, convinced that these give them the best view of the field.

Those wanting tickets should go to Dorchester House, 120 John Street, (the Jaycee office is in the basement) or write to Jaycee Football Classic, P.O. Box 462, Princeton.

Levittown, Pa., and New Hyde Park, N. Y.

Those on the team include: John Marney and Jamie Petrone from Engine Co. No. 3; Brian Smith, Steve Kopp and Jack Bayer of Hook & Ladder; Pat Kohny of Italian-American Sportsmen; Dave Harwood, Ron Campbell, Larry Howell and Bob Seavey of Engine Co. No. 1; Maurio DeVincenzo and Peter Soderman of Post 76; Steve Howell of Roma Eterna; George Reynolds and Edgely Volz of the Eagles and Greg Christensen of the Elks.

Craig Wood of Roma Eterna, Ted Kopp of Hook & Ladder and Bob Daniels of No. 1 will coach the team. Betts Avenue may be reached by turning right on to Princeton Avenue at the traffic light on Route 206 (a block before the Brunswick Circle) and taking the second right. The field is at the end of the street.

WHERE ELSE

but at Country Antiques, can you find...

Steel pen drawing of a spirited horse (we believe it to be true folk art, remembering several in the Abbey Aldrich Rockefeller Museum, New Museum).

An early oil painting of fruit, well painted, but no signature.

A large and well-constructed doll house which unbooks and fits into a seaman's chest, obviously the work of some father on a long voyage.

A rare book — The National Geographic, 1948 "Embellished with 25 Splendid Engravings, Illustrations of the American Victories in Mexico."

A comprehensive collection of doll house furniture, beds, basic pieces and a few miniatures. High spots are a French papier mache set, marble top dressers and washstands.

TV REPAIR

AT YOUR SERVICE

The GREATEST . . . BEST . . . FASTEST . . . How many times have you seen and heard these words in ads selling service . . . we admit, we've used them ourselves. But we have found that you can't sell a service with superlatives! We simply say that we think our TV Repair Service is merely better than adequate . . . it's only GOOD.

We have trained, competent technicians with years of experience in their profession to back that statement.

And most of all, we have many satisfied customers . . . which is, after all, our ultimate goal!

Do us a service . . . call 921-8500 today so that we may serve you!

FROM THE TERRACE, there is a view of unspoiled woods that belies the in-town location of this attractive four bedroom multi-level house. Entrance hall, handsome living room with fireplace, separate dining room with French doors to a canopied terrace, kitchen has view into woods; laundry, lavatory, and paneled study on a lower level with access directly to the lawn. The bedrooms are unusually spacious. Basement and two-car garage \$53,500

IN NORTHWEST PRINCETON TOWNSHIP — A RARITY — A vacant building lot with trees and all utilities but with no restrictions on house design. The owner has plans which could be used, or let your own architect be his imaginative best 1.89 acres. \$22,500 plus sewer assessment.

BOROUGH EDPICE — A handsome Tudor built in 1920, which now has been ingeniously converted to accommodate two families in privacy and comfort. All the necessary living rooms are there in duplicate. Two semi-modern kitchens. Lots of bedrooms and baths. Fireplaces, pegged oak floors. On a superbly situated western ead acre with towering old shade trees. \$100,000
